THIS MONTH'S MUST-WATCH FILM

PLOT FOR PEACE

Director: Carlos Agullo, Mandy Jacobson
Starring: Winnie Mandela, Thabo Mbeki, Neels Van Tonder, Jacinto Veloso

Following hot on the heels of the award-winning Mandela biopic *Long Walk to Freedom*, this documents the untold story behind Nelson Mandela's release from prison and the subsequent end of apartheid. Lead by a French business man, dubbed 'Monsieur Jacques', who was hugely instrumental in the release of prisoners, including Mandela, it depicts the restoration of peace in South Africa.

It's a fascinating insight into the unknown facts of what occurred in Africa during this period. You'll be enthralled as African heads of state, international diplomats, secret service operatives and anti-apartheid icons recount the true story of what happened. It's a must-watch and a testament to the power of the human spirit.
